FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

In the Matter of

Amendment of Section 73.202(b))	
Table of Allotments)	MM Docket No. _____
FM Broadcast Stations)	RM - _____
(Bridgeton and)	
Elmer, New Jersey))	

To: Chief, Allocations Branch
Policy and Rules Division
Mass Media Bureau

PETITION FOR RULE MAKING

Cohanzick Broadcasting Corporation, licensee of Station WSNJ-FM, Bridgeton, New Jersey ("Petitioner") by its counsel, hereby requests that the Commission amend the FM Table of Allotments to delete Channel 299B at Bridgeton, New Jersey, and allot Channel 299B at Elmer, New Jersey as that community's first local service. If the Petition is granted, Petitioner will file an application to modify the license of WSNJ-FM to specify operation on Channel 299B at Elmer.

As demonstrated in the Engineering Exhibit, Channel 299B can be allotted to Elmer, New Jersey at the current WSNJ-FM transmitter coordinates of 39-27-32 North Latitude, 75-12-12 West Longitude consistent with Section 73.207 of the Commission's Rules. See Figure 1. The channel study discloses four preexisting short spacings, which are all grandfathered under Section 73.213 of the Commission's Rules. However, such preexisting short spacings are not a bar to a change in community of license where, as here, the station's transmitter site will not be relocated. See, e.g. *Kankakee and Park Forest, Illinois*, 16 FCC Rcd 6768 (2001). A 70 dBu signal can be provided to Elmer from the proposed reference point. See Figure 2. No change in

No. of Copies rec'd 014
List ABCDE MMB

01-306

facilities of WSNJ-FM will be necessary in order to implement this change in community of license.

The proposed change in community of license of WNSJ-FM from Bridgeton to Elmer satisfies the prerequisites set forth in *Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 3870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990) ("*Community of License*"). First, because no change in facilities is requested, the proposed use of Channel 299B at Elmer is mutually exclusive with its current use at Bridgeton. Second, the Elmer proposal is preferred under the Commission's priorities, since Elmer would receive a first local service (priority 3), while Bridgeton will retain service from Stations WSNJ(AM) and WNJB-FM (priority 4). *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982). Elmer is not located in an Urbanized Area and the current 70 dBu contour does not reach any Urbanized Area.

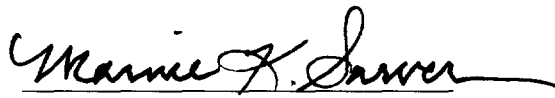

Elmer is a community deserving of a first local service. Located in Salem County, New Jersey, the Borough of Elmer has a population of 1,384 according to the U.S. Census 2000. The U.S. Postal Service has assigned ZIP Code 08318 to Elmer, and maintains a Post Office in Elmer. Elmer is governed by a Mayor and a 6-member Borough Council. Municipal services for the Borough of Elmer include police (Elmer Police Department), fire (Elmer Fire Department), and ambulance service (Elmer Ambulance Corps). Elmer has its own newspaper, the Elmer Times, and its own library, the Elmer Public Library. Public schools include Elmer Elementary, Daretown Elementary, Olivet Elementary, and Arthur P. Schalick High School. Retail establishments include restaurants, grocery stores, hotels, and shops. Residents can attend church services at over a dozen churches in Elmer. *See Exhibit A.*

Health care facilities in Elmer include the South Jersey Hospital-Elmer, Elmer Family Practice, and Centerton Family Practice. The Appel Farm Arts and Music Center, located in Elmer, hosts a concert series, an arts and music festival, a summer arts camp, and conferences. Campgrounds and recreational facilities available in Elmer include Pavin State Park and Yogi Bear's Jellystone Park at Tall Pines Campground. *See Exhibit A.*

The allotment of Channel 299B to Elmer, New Jersey is in the public interest because Elmer will receive its first local service. Bridgeton will continue to have two local services. The Commission should promptly issue a Notice of Proposed Rule Making as described herein.

Respectfully submitted,

COHANZICK BROADCASTING CORPORATION

Its Counsel

September 24, 2001

Engineering Statement
In Support of a
Petition for Rule Making
Cohanzick Broadcasting Corp.
WSNJ, Elmer, New Jersey

Cohanzick Broadcasting Corp. (herein referred to as "Cohanzick" as well as "The Petitioner"), by means of this petition for rule making, wishes to change its community of license from Bridgeton, New Jersey to Elmer, New Jersey. Cohanzick proposes no technical changes in the current facility of WSNJ.

Engineering Exhibits Explained

Exhibit E, Figure 1 is an allocation study demonstrating the spacing to all co- and adjacent-channel facilities in the area. WSNJ currently has existing short spacing to WGTY, WBYN, WFSI, and WPUR. These short spacings are grandfathered under §73.213.

Exhibit E, Figure 2 is a coverage map of WSNJ's current F(50,50) 70 dBu contour over the community of Elmer, New Jersey. This map demonstrates that no technical changes are required for WSNJ to cover 100% of Elmer, New Jersey with a 70 dBu contour, in compliance with §73.315 of the Commission's Rules.
